

Hello Shooters,

I am going to be using the New Jersey sign up database from now on for all of our up and coming matches. This way you'll go and enter yourself for what day and time you want to shoot. If for some reason you have to change your time and day, just go back into the logon and enter your change, the system will remove your old entry and put you into your new request. If you have to cancel just send me an email, I'll cancel your request.

Please be sure to fill out **all** fields, especially your Name, NRA #, Classification, Street address, phone #, and **please** make sure your E-mail address is correct.

To enter yourself into any of our matches do the following:

Key in the New Jersey "URL" <http://www.njpistol.com> (***you should save this as one of your favorites***)

The NJ home page will come up. If you don't see our match in one of the four event boxes, click on it, if not there click on "**MATCH CALENDAR**":- [Click for full calendar!](#) When that page comes up, click on the month of the match you want, scroll down to our match in the calendar and "click" on it.

Note: If the match day or time is filled, the system shows you it's filled.

For both of our indoor matches, pick what day and time you would like to shoot and then sign up.

For our outdoor State Championship and Regional 2700 two day matches, pick what day you want to shoot and then sign up.

For all of our regular 2700 matches just sign up.

To sign up click on: ([SIGN UP NOW](#)), this will bring the following:
